

15 Minutes

Fifteen minutes. That's the average length of time it takes to end the life of an unborn child through dismemberment abortion. Ripping an unborn child apart, limb by limb, is a catastrophic violation of the ultimate human right – the right to life.

Something else can happen in 15 minutes. You can help save a life. How? By partnering with Wisconsin Right to Life Marathon County. With your help, we can end the *ultimate human rights abuse* of abortion.

Please mail your donations to P.O. Box 58, Wausau, WI 54402.

Thank you.
