

JANUARY 17  
SANCTITY OF LIFE SUNDAY

Abortion takes away  
the human rights  
of the unborn child.

Protecting human rights is about protecting life for all people. Even our nation's Declaration of Independence says that our Creator has endowed all of us with certain unalienable rights. Among these are life, liberty and the pursuit of happiness. Without the first, *life*, the rest are meaningless.

As we celebrate *Sanctity of Life Sunday*, please consider supporting the life-saving work of your area Pregnancy Help Centers. A list of these centers, arranged by zip code, can be found at [123GiveLife.com](http://123GiveLife.com).
