

My Need-to-Know Information on Candidates for Governor on Right-to-Life Issues

Governor Scott Walker (R) Incumbent

- Signed legislation to protect women from unsafe RU-486 abortions
- Signed legislation to protect women from coerced abortions
- Signed legislation providing ultrasound viewing for a woman of her baby 24 hours prior to abortion
- Signed legislation to protect women's health by requiring admitting privileges for abortionists at local hospitals
- Signed legislation to protect taxpayers from paying for abortions and abortion coverage
- Steered taxpayer dollars away from abortion providers

Mary Burke (D)

- Supports abortion on demand (which she calls "a woman's freedom to make her own health care decisions")
- Pledged to repeal Sonya's Law which provides ultrasound viewing for a woman of her baby 24 hours prior to abortion
- Accused Governor Walker of assaulting the freedom of women through his signing of right-to-life legislation
- Headlined a meeting of Emily's List, a group that promotes pro-abortion candidates
- Described by Planned Parenthood as a long-time supporter
