Notes of the State Senate Members of the Joint Finance Committee in Regard to Right-to-Life Issues in the State Budget (AB 40).

Key right-to life votes regarding the State Budget occurred in the Joint Finance Committee. When the Committee finished its work in deciding which items would be contained in the State Budget, the entire budget was debated and voted on by each house of the state legislature. Opt-Out of Abortion Coverage in Health Care Exchanges Created by Obamacare (SB 92/AB 154).

The federal Patient Protection and Affordable Act (PPACA), also known as Obamacare, requires states to operate and maintain "health insurance exchanges" through which health care plans are sold. Participating plans are eligible to receive federal subsidies (taxpayer dollars) for those who qualify for insurance under the exchanges. The PPACA allows states to prohibit coverage of abortions under the qualified health plans offered through the exchanges. Under Senate Bill 92, a qualified health plan that is offered through any exchange operating in the State of Wisconsin may not cover any abortion whose performance is ineligible for funding under current Wisconsin law, s. 20.297. Wisconsin Right to Life strongly supported SB 92. Assembly Bill 154 was the companion bill to SB 92. Senate Bill 92 was the version passed by both houses of the state legislature and signed into law by Governor Walker on April 6, 2012. It is now 2011 Wisconsin Act 218.
