"Wisconsin Right to Life unequivocally opposes the killing of innocent unborn children and works unceasingly to protect them under the law, and we know that both the unborn and their mothers are victims of abortion," stated Heather Weinger, Executive Director of Wisconsin Right to Life. "Wisconsin Right to Life has long opposed the imposition of any penalties on the woman on whom an abortion is attempted or performed. Rather, penalties should be imposed against any abortionist who would take the life of an unborn child in defiance of statutes prohibiting abortions. Our laws in Wisconsin, such as the Pain-Capable Unborn Child Protection act, are targeted solely at stopping abortionists because our goal is to help women, and end their victimization by the abortion industry."
