

Below is the ad that will be in the Wausau Daily Herald on Sunday, Jan 22, 2017 with the signatures of thousands.

An invitation will be added encouraging everyone to attend the "Light the Night" candlelight gathering at the courthouse on Sunday, Jan 22 (5:30-6:00).

This January,
We Have a Reason to
Celebrate!

In 2017, we can protect more unborn children than ever before. Momentum is on our side and there is a clear path to protection for the smallest and most defenseless members of our human family.

This year, lawmakers feel this momentum and are eager to pass life-saving legislation, including a law to stop dismemberment abortions — a barbaric, second-trimester procedure that is excruciatingly painful for the unborn baby.

Ending dismemberment abortion has the potential to save over 925 Wisconsin babies each year!

YOU have made this possible! Thank you for never giving up!
